Running a little late. Weren't sure where to go, but found our way! Stephen, park at Salford Station Road and Welford Road. Look for the yellow school buses, that will take you to the festival. Or you can walk 1/2 mile to get there. See you soon!

Okay sorry for the confusion. Just text me when you're in and I'll come find you

I'm going to hang back here and get ready for the set. I'll come out right after and we can hang more. We play until 8:30. Did you get a good place to sit?

Heading down to grab a seat now

Got great seats right in front
