Rick, just gave you a call. I'm the CRO at SureBright a fellow InsurTechNY funded company. David Gritz gave me your number.

We have spoken to Dogan and followed up with a request to chat but haven't heard back. We have an urgent need to explore with Stere related to needing capacity to close a few deals in the near term. Can we set up time to speak with you?

Hi Steve, I will send out an invite for 4 pm Eastern Time today.

Thank you!
