Let's discuss dates for the two drafts

Would be ideal to have on same weekend and I can try and get a house again

Yeah let's try it

After last pre season game? What weekend you recommend?

Labor Day weekend?

The weekend before the 1st NFL game

Yeah that's Labor Day

I don't care if we don't do the house honestly. So busy and costs a good penny

But if it works out I will def still check Airbnb

Yeah I'm busy too but it was nice, either is fine with me

Are you free Labor Day weekend ? Still ideal to do them same weekend?

Yeah I think I'm free that weekend

Like maybe that Thursday / Friday evenings sept 1st and 2nd

Yeah I think it's ideal to both then

Or Fri Sat, most people won't have off that Fri

People have off that Monday

Yea was thinking do it evenings of Thursday / Friday bc they could still make it even with work and still go away for the long weekend

Yeah if it works for people

You trying to do the same location

I could run it by the league

I will check later to see if the same house is free

Just checked it's booked

Well all we need is a house in a similar location doesn't need to be same one

Yea and can be one house one night then switch. That was the original plan last year. Chris cip was gonna host. I'll ask if he will this year

Got the ball rolling. I'll let you know

Good work thanks

I could host the other draft at my parents. They offered last year.

That could work!

Ok will iron it out this week so emails can go out. Max already buggin me

Ah I see lol

7/30/22, 12:23 PM

Evening of Friday sept 2nd brew crew draft. Hosting in person at my parents house. That date work for you? You can take Thursday sept 1st or Saturday the 3rd or whatever. That cool? I wanna send my email today

Driving. Let you know soon.

7/30/22, 5:00 PM

Yeah that works

I'll send the other one out later, can you check if you're buddy is gonna be in bundle league again, he wasn't very responsive before, when I asked for his Venmo for payout of last year he never answered

8/2/22, 4:36 PM

Sorry didn't see this text. Who should I reach out to? Matt Ryan?

Also, you should try and do the bundle draft on Saturday either at Chris cips house or Kline also offered to host outside at his place so we could consider either location for a Saturday daytime bundle draft at either spot

Yeah Matt

Haha okay. Texting him. So he won \$\$ last year and never paid entry fee or never got paid winning ?

Never got paid for winning either 2nd or 3rd I forget lol

Haha okay

Matt is out

Ugh

Would Vu play

Vu replied he's in

FYI Brew crew keeper rules are 1 keeper drafted in 6th round or later, must be on roster at end of season

Also anyone playing golf next Sunday before the draft?

8/27/22, 9:23 PM

Not one person said yes or no to golf

Sadly

So off the table? Still meet up somewhere before the draft?

Also you coming to Nate's for bundle draft Fri night you didn't respond

Yea I don't think so as of now but I'm not sure . I'd have to drive there then home to philly then back to Bethlehem

As of now I'm virtual for Friday

With love

Yeah I get it, no prob, you gonna link up with anyone else down there and draft?

God damn scooter talk gets me every time

Can only blame myself

Laughed at "God damn scooter talk gets me every time "

I also normally try to watch dog peoples lineups (usually for Dave) but that's mostly on sundays. Didn't catch this until after the game when Mike texted me about it, of course he's the on you're playing

I hate gifting anyone a easier win

My own fault

Keep up with your shit

Step up, get your team out of the gutter

You haven't even made a waiver move

Who are you royce?!

Haha new strategy

Workin great lol

You should check your brew crew fantasy lineup

7/27/23, 9:31 PM

Sent out a bundle league email

Appreciate it. On vaca so will check soon. Need a vote for something?

Yup and draft date stuff

Ok

8/20/23, 8:03 PM

Can you do the bundle draft Wed Sept 6 in the evening?

Yes

My bad if I missed an email

I'll keep an eye on it

Nah you didn't, texting people just works faster than email

Ok good bc it's been two weeks since I've checked

9/6/23, 2:33 PM

Bundle draft 9pm tonight. You need to pay, 175\$ on Venmo

Ok paid

9/21/23, 4:30 PM

Yo, I know you're busy doing whatever, but you need to step up your fantasy game. A player was ruled inactive (Akers) last week prior to the game in one league, and he got traded to another team and likely won't play this week. Barkley has been ruled out since an injury last week and plays again tonight and he's in your lineup. At least check your lineup a few times a week to check injuries. Don't need any dead fish players in the league.

Wasn't Akers benched 5 min before the game?

Doesn't matter

You are right

Ok

9/23/23, 5:11 PM

Sent you some trade offers in Bundle to help out with your injuries, if you care

10/8/23, 9:01 AM

Set your lineups fool

You even know cooper kupp is off IR and playing this week?
And that there are IR bench spots that can be used to place players on when they are on IR or ruled out?

I'm looking at my lineup as we speak. I'd like to unsubscribe to your salty reminders

But thank you

I acknowledge the issue

Salty reminders will continue until the issue has resolved

You're welcome

Go Rams!

No no

Jk

That felt so wrong

Ew

It better have

Big game
