Hi Larry, hope you're having a nice holiday weekend.

If you're available tomorrow, could I please give you a call to ask a couple questions about our HVAC system and ECI?

Melissa said you had some helpful insights and was hoping to pick your brain.

Good morning Steve.
I'm not in Philly, but I'm available to talk with you any time today

Great how about 5pm est?

If we can do a little earlier that would be better for me

330pm?

Sounds good.

Thank you, Larry! I will call your cell then. Will be quick
