It makes me happy seeing the Bruins blow a 3-1 series lead, losing in OT of game 7. Reminds me of when the Flyers came back from 3-0. F-Boston.

I'm predicting a dark horse US Open winner this weekend. Not one of the studs at LACC this year.

Edited

Chris Cip

Harold Varner?

HAHAHAHA

He certainly has the highest odds of not winning, but still going home with the trophy

Michael Cipolloni

We all know hovland will be in your lineup

Yes. He will be

Already is!

I got three real sleepers and three studs

Gotta find those guys at \$6,500-7k and get 2/3 past the cut

11/6/23, 10:06 PM

Michael Cipolloni

Wow, a barn burner between you two

11/7/23, 8:08 AM

Chris Cip

That was insane last night

11/7/23, 5:30 PM

Chris Cip

Life to Boerner?

Chris Cip

He flies to Florida and out of our lives...just like that

YO!

I'm alive

The fruits of this town are distracting

And we just moved into our new home

Chris Cip

Michael Cipolloni

That was the craziest fantasy ending i have ever seen. I wanted to go to sleep at the start of the fourth quarter. But your matchup was entertaining enough to keep me up.

Chris Cip

I went from screaming Fuck Fuck Fuck and waking the baby up, to almost jizzing in my pants with excitement

Michael Cipolloni

11/23/23, 3:37 PM

Chris Cip

He almost beat me a few weeks ago

11/23/23, 5:07 PM

Michael Cipolloni

Mayo is baiting singletary by leaving him in his starting lineup lol. He's def playing Williams over him.

Chris Cip

Singletary is garbage

Chris Cip

Cook is garbage

Chris Cip

Michael Cipolloni

Mrs boerner is a diamond in the rough

12/26/23, 9:48 PM

Michael Cipolloni

Nothing makes me happier than sending mayo home, continuing his championship drought in a bundle of sticks lol

Chris Cip

Back to back years of losing to the Cips in the semis, that has to sting
