It's about to get hot here

Loved "Haha I'll be back this early summer sometime"

Tough to travel with a baby unless I bring the whole clan, and then it's no longer cheap haha

Eagles tickets

They go on sale at 10am in ticket master

These are the ones from the eagles, face value

I'm gonna be on trying to get tickets for the Browns game so I can't do it. I was hoping you could be on to try to get tickets to the cowboys game in December for us to go to

If the dates end up not working out you can always resell for a big profit

Like the barstool it will be gone in seconds so the more to try the better

Would be fun going to a cowboys eagles game with you Melissa and Brooke

But if you're not signed up for ticket master I would suggest making an account so you're ready to go

Ok thats all the info i need ill be on at 9:45am

I imagine there will be a filter that comes available at ten for the direct tickets not resell ones
