Dude, we are 2 for 2 so far in scrambles. 2 back to back wins at the pond to start the year

Ah I miss green pond

Nice man

Sorry I'm in spot can't talk . You calling to catch up and share the good news of wins without your ringer

I'm like a jealous ex girlfriend who broke up with a guy, moved away, and wants him back

We miss you. I taught myself a controlled cut/fade and it has changed my game. I LOVE it

Need a bunker lesson

Exaggerate the slice feel in bunker. Take it away steep and get vertical with it.

Interesting

Ok
