Also, what's a good date spot in old city? Lol

Tuna Bar (posh upscale sushi restaurant and bar)

Race Street Cafe (my local watering hole, more casual, across the street from Tuna Bar)

Radicchio Cafe (upper scale Italian Restaurant, Amazing food, BYOB)

Could do drinks at Tuna Bar and walk to Radicchios for dinner. 7 min walk.

Market Street has good spots too and worth walking down but gets a little touristy and more riff raff that part of old city

Paul Hodges

Yooo

Paul Hodges

You're the man Steve

Hell yea. We live smack in the middle of those recommendations. You're welcome here too and can meet for drinks. Let me know the date
