What a kick in the dicks

Remember when we won a scramble and got broken trophies

find /Applications /Users/\$USER/Applications /System/Applications /System/  
Library/CoreServices -name "\*.app" | sort

Michael Cipolloni

That was last Monday again steve in that first artsquest tournament. Won the  
tourney and got trophy's. Didn't even get a free round

Michael Cipolloni

Crazy

Questioned "find /Applications /Users/\$USER/Applications /Syst..."

Michael Cipolloni

Why did u question ur own message
