Hi! It's Alex. Totally forgot to ask you this when you were here, but I need to send you a 1099 from Megawatt Group. What's the best email to send you a request for the info?

Hey that link I sent you expired, so I just resent a new one. If you could fill it out before the weekend that'd be super helpful! Sorry to bug ya, just need your info then I can get these filed

Oh shit okay I'm at computer in 2 min will do

No worries ty!!

Done and done sorry about the delay on that. Was easy
