Hello!

Friday is the best day to see places. Is that doable?

Hello Daniela , can we confirm Friday afternoon? If so, what time and where will we be meeting Brandon.

Brandon, I'm in the Industrious office all day today if you're around

Good morning Steve. Unfortunately I am traveling on Friday to San Antonio fly back on Sunday night. Please let me know which ones you would like to see on Friday and I will ask Daniela to set up showings. Did you have time to complete the application so I can have you approved today. Also I have a few new Rental homes that just came up that I will be sending to you to review.

I haven't finalized the application. I can't find my social security card sadly. Your service has called me several times to complete it and I've paid the \$74.

We can review the properties this evening but they are all in different spots like screen shots here and the site you provided I was unsure which spots are eligible and which aren't . Is there one clean list of eligible properties? We're interested in both Oct 1st and Nov 1st start dates
