I have texts from you that contradict your Response claims

I have your Sept. 4th pm text message where you clearly state you are "leaving town [and Florida?] tonight indefinitely"

I have phone records that show you never called me to retrieve your personal property.

Zach is Luther's paralegal representative per pg. 1 of the lease agreement and frequent communicator on Luther's behalf.

On 9.4.24, Stephen Boerner requesting access, request denied. No access to personal property provided.
