Hey Kirby...what's up!? In a pinch. The wife and I are looking for some greenery to celebrate a birthday...what are the odds you have any and could we possibly scoop some tonight?

Yo dude. I don't have any extra cartridges, but I do have some bud.

If that works, definitely stop by

Actually you around tomorrow by chance?

Yup I'm working from home tomorrow

What time were you thinking?

6/25/21, 4:00 PM

Hey buddy sorry I meant to get back to you but I ended up finding some and we are all set but thanks for offering and I'll see you soon

Read 6/25/21

All good dude, enjoy!

Yo, do you still want to go to that Goose concert Friday the 24th? I have another buddy who is going and we're trying to figure out tickets

3/16/23, 8:03 AM

Yes I'm in. Had to confirm on the home front, but I'm good to go

Ok word

My other buddy wants to get floor tickets. Apparently they're around \$100 right now

Before taxes/fees

I'm in for whatever. Floor works

Ok nice. Floor is the best anyway

Yo, lmk if you want to carpool tomorrow. I was thinking of leaving Conshy around like 8:20-8:30ish

I'm actually hitching a ride from Melissa out to nicks and she's heading out that way. Ready for some golf do you know who were playing with?

Nice! Yeah dude looking forward to it

We are partnered with Nick and one of his friends

Liked "We are partnered with Nick and one of his friends"

Actually Melissa said it would save her time going to your place vs Nick so may just take you up on the offer

Yeah dude whatever works

What time you wanna leave your place

I was thinking 8:20-8:30ish so we can stop at Wawa on the way

First tee time is 10, so we will prob get there around 9-9:15

5/19/23, 6:59 AM

Address?

115 Merion Ave  
Conshohocken, pa

Jumping in shower. Front door is open

Up for a round of golf next Friday by chance? I have a good friend in town looking for a third and a fourth

Early am round

Lederach Golf Club in Harleysville most likely. Looks legit

Yo dude

I actually already have a tee time that morning for a work golf event at Huntingdon Valley

Let me know how it is! That course always pops up on GolfNow but I've never played it

All good! Enjoy. It's like every cousin in law are all playing golf at the same time but none together.

Haha every one

Hahaha no shit really??

And thank you for the invite.

Oh totally

Let's get a round

Soon

I just got fitted for clubs, so should have a new set in a month or two

Yeah dude definitely

Also found out the way my driver was set up was somehow 5° open at address. Fucking unreal hahah

Hahaha whaaaat

That's a first

Was it used?

Nah but it has an adjustable head, so when we got back from Myrtle I put it on the "lower loft" selection and apparently that opens the hell out of the face

Makes no sense at all. But they aligned it so it's closed .25° now

Yea how do you lower the loft and then close it I dunno man I never trust tinkering with those adjustables never have

Hurts swings more than helps across the board I feel

People just adjust their clubs I feel like bad swings just ingrain more

100%. Now that I have it aligned I'm never changing it again

What irons you get

Going to get the Mizuno JPX 923 Forged

4-PW

prob won't get them for another 6 weeks or so

Excellent choice. I'm a Mizuno iron guy for life

You were the first person I ever heard talking about them. And then it's all I've seen since

They seem legit

Forged to Japanese precision

Damn looking at yours now. They are beautiful

Everyone gets Taylor made. My friend just left Taylor made as a rep bc he said quality control is so bad it made his job brutal all these members he fit were always calling him with club issues

Thanks dude, hopefully I can hit them haha

No shit. Taylor made used to always be great

That's crazy they fell off like that from a quality perspective

Apparently grew so fast they couldn't adjust through Covid

Delivered

Ahh yeah that actually makes some sense
