Hi Lindsay, we met on the grass patch on 3rd the this past Saturday. We were wondering if you'd like to watch Lucy a few nights in September. She's our black lab. Loved all dogs. Loves all humans. Loves balls more. It would help to see the days / times we need in September so please let me know if you have availability in general this next month

And I'll send you that detail

Pardon my typos!

Hi!! It really depends on when in September you are looking for as I work on first come first serve scheduling basis. I can tell you at this time I'm at capacity the weekend of 9/23 and have a bridal shower in Maryland September 18th and trying to keep that Sunday low as my brother will be coming over to help with the dogs that afternoon and I don't want to overwhelm him. And I'm off and away September 30-October 2nd for the bachelorette to go with the bridal shower lol
