Hi Judy,

It was such a pleasure meeting you earlier today at LowTide. This is Steve Boerner, John Roman's friend.

I wanted to provide you with my contact information.

Personal Cell: (215) 530-0545
Email: steve@theaiminded.com

A double of kava (or Kratom) is on me if you'd like to sit down and chat sometime.

Or, elsewhere outside of LowTide always works, too.

I would very much enjoy the higher-edu banter and learning where I can support your student experience.

Steve

Will give you a call in the next few days.
