Would either of you be able to do me a small favor. I have this wedding later this week. I think my tuxedo is in the closet of the room on second floor with the mirrors. Any chance you could check and send me a picture

Gerard Hoetzel

I'd need to swing by and get it tomorrow so I just wanted to make sure it was where I thought it was

I have to see my doctor in New York early tomorrow morning for my ankle so I'm sleeping at a friends there tonight to avoid an early early drive. Sucks, very hectic. I would if I were around. Probably closer to 10am arrival 🤔 at st James to grab the tux if either of you will be there

I'm here but sleepin in down in basement with Lucy. She will greet you I'm sure but give a shout if you need anything

Gerard Hoetzel

Sounds good. Be there in 5

Gerard Hoetzel
