Hi it's Melissa!

Can you try and do find my iPhone on my phone I couldn't do it from work :(

I have already started. It was shut off. I can't locate or call it. Im signing into you iCloud to shut it down

Omg it was stolen I think

Yikes wow that's bad

Thank you oh no

Please tell Melissa her phone was taken. It was tracked 7 blocks away then turned back off

Omg this is horrible babe ugh I'm so upset thank you

I called security they said call tomorrow when manager there to make report

I removed your credit card from Apple Pay but that's all I can do

Ok giving this phone back to my co worker I'll walk home tonight!

Thank you phew! What else can I do

Will meet you on 4th normal time

Do we shut it down permanently

Ok I can keep this phone a minute

I can't will explain

Ok should I call Apple or no don't do anything

Don't do anything

Ok

We will solve

I'm sorry!!!

Giving phone back see you tonight!!!

I'll leave at 715

Do you mind please telling Melissa I will pick her up at 715 in the car?

I'll let her know!

She said okay

Thank you for all the help!
