Hey Steve, how big of a place are you looking for ? I have a 1/1 condo available for \$1,750 a month. Close to downtown St. Pete

Hi Martin, we will be out by 10am today. One more trip left to go

Ok, thank you Steve, all good with the move ?

Yes thank you. And everything was great at your Airbnb.

Id still like to grab that coffee and Melissa will join if she can. We moved to

2649 Tifton St. S
Gulfport, FL 33711

So we aren't far away. And we can't extend beyond the 1-year lease we signed so I'm already thinking of where we will be next and would like to learn more about the area. I have a solar business I started a couple years ago as well and am launching the St Pete office and new market so I can share details about that as well when we meet
