Yo! It's John Winchell, how about Harman being T2 at the open??

I saw him stick a shot and immediately thought of you playing against him back in the day lol

Yea man! He's a beast. Missed today's action but excited to see what this course is all about through the weekend

Not shocking spieth and Louie are at the top they just are so creative around the greens and dialed on their irons

I have spieth to win this week and he's looking good

Same!

Read 7/15/21

Love it

Also have Louie top 10 because it's just a given at this point lol

You missing white Nike golf shoes?

8/3/22, 12:02 AM

I am! I realized half way I missed them in the dark packing the car. Do you have them??

I'm wearing them as we speak

haha Melissa will drop them off at aunt sals tomorrow

Laughed at "I'm wearing them as we speak "

Hahah could also be an excuse to golf next time I'm in Philly 🙄

Melissa is only going to give Sal your left golf shoe. I'll keep the right one

Hahaha no way!

Howd you get that hook up

5/21/23, 5:58 PM

Same ruling as yesterday!

You watching this shit I'm assuming

5/21/23, 7:15 PM

Emphasized "Same ruling as yesterday!"

Yeah dude that's wild

I was listening to a podcast and people were pissed it wasn't a penalty lol

But brooks is a killer man

Hovland gave a good run at it

6/1/23, 10:50 AM

Yo! Been doing some spring / summer cleaning this week and had a quick random question

Edited

I had a quarter zip with the below logo it was blue can't find it anywhere. I've been retracing my steps and I remembered it wore it to Llanerch that day in November. Any chance it could have been in your car? If not no worries bc it could be at crescent hill or around here somewhere

Checking with Melissa. Lemme see.

Also if you want an in depth look at LACC, this video is awesome

<https://youtu.be/-YgTDpUsYBk>

Nice I'll check it out

Course looks unreal!

You playing both rounds in nags head?

6/1/23, 4:44 PM

Me nor Melissa remember the quarter zip. I just texted her about it.

She did question if you and I are brothers, however. Considering how often I text people about things I lose and how we had your shoes for a year haha

Laughed at "She did question if you and I are brothers, howeve..."

Hahaha we really are

Edited

But all good! I bet you I find this somewhere around here

6/12/23, 5:15 PM

I placed a bet on homa to win the US open in January at 45-1

I think he's around 25-1 now so I'm a big fan of the cali kid wining it this week lol

6/12/23, 9:26 PM

Nice. Love the futures play

I got a major dark horse for you

6/12/23, 11:00 PM

Ooo who you got?

Super cheap in major pools still. He won me a PGA Champ pool bc he was my cheapest player and crushed the cut

6/13/23, 8:20 AM

Oh yeah this guy has been killing it

Oh you won the PGA pool? That's awesome

I think I just saw +20,000 odds on him. So \$10 this weekend for \$2M, that seem right?

6/13/23, 9:22 AM

Hahah that's wild

It would be 10 to win 2K

100 to win 20K

Who you picking this week? You back on the victor train?

6/13/23, 11:38 AM

Oh duh ok that makes wayyy more sense haha

I'm on the victor train until reason to otherwise. The kids my guy

Are you in our DK pool? My friends from home. Dave Bemer too

\$25 buy in draft kings if you want in

6/13/23, 1:47 PM

Oh no way

I'm down

Email?

6/13/23, 4:45 PM

Jswinchell22@gmail.com

6/14/23, 2:14 PM

thanks for the invite!

I haven't done one of these in awhile, salary cap is tough lol

It is haha

Good format for quick and easy

We do all 4 majors

And sometimes a 5th

I think I found my lineup tho after some tinkering lol

Emphasized "Good format for quick and easy"

Haha the two times I've won I did a line in 30 seconds and didn't touch it

Hahaha shit

Tinkering always fails me

I was looking at the rules and this course will be super fun for the format

Bc a lot of birdie / eagle looks but a bunch of bogeys out there too

Yea the down to the wire points race is real

You need 5/6 minimum making the cut

4/6 never wins

So your cheap players are the ones that make or break

Hence why Meronk won me the PGA

Any chance you're in philly next Friday? Need a 4th

Emphasized "Hence why Meronk won me the PGA"

Makes sense, it's such a crappy shoot with those guys

And I am actually will be in Philly but have a wedding Friday so was planning to meet up with my friend Friday AM in the burbs to play

Where you guys playing

Lederach I think. It's new to me. Close to the main line burbs I think north of em like 20-30 min

6/14/23, 5:13 PM

Not bad

We'll have to get out soon tho before nags head

Have you ever considered joining a club? Probably hard being in the city

I'd 100% be at one if we weren't in the city

Well, not 100%. We are more interested in having a second place in Florida right now. We were just there. Then id take the savings from no state/local income tax and get an out of state membership in florida which are dirt cheap.

Thats the formula right there.

i mean a "non resident" club membership. They all have em. And way cheaper. very little restrictions too

That is a great formula lol

Kind of like a snow bird membership?

Yup. I have a buddy who was renting a house in Charleston, SC. was back and forth so got a non resident membership. Like \$500/month, great club, 42 rounds/year restriction, no \$20k initiation, unlimited range balls, no social restrictions

Then he bought there and moved permanently and never changed the status

He's there twice a week

At the course

That's unreal

Great place to be

I think the ultimate goal is a laptop at a quiet spot in the clubhouse in between a few holes here and there and some putts and chips

#lifegoals

6/15/23, 2:00 PM

Emphasized "I think the ultimate goal is a laptop at a quiet s..."

Damn tinkering, couldn't decide if I should keep Fowler or not

He's crushing it to start

No need for excitement or regret. Too early.

6/15/23, 3:50 PM

Scottie making his move

Edited

62 for RICKIE 🔥🔥

Insanity. I'm just now getting to a tv

Anyone pick him?

Was was diligently trending

Silently \*

I took him on my book top 10 and top 20

A couple people have him including Dave

I took him out last minute lol

I'm so annoyed but still early!

Scottie looking good

I jinxed him

Have you done this format before? The point swings based on total holes remaining after the cut are nuts. The whole board reshuffles in a way not completely but last week I was 1st to "out of it" I figured, then it get a text that I'm in contention

It can have drama down the stretch

Hahaha I haven't but whenever I bet on golf I'm such an over reactor lol

I've done the pick a couple golfers in each tier

I should bet more on it. With all my gambling I never placed on line your Rickie bet. Why have I lost money my whole life on sports I have less chance to predict

Yeah my motto is bet what you know lol

So I try and bet ball striking guys this week

Fair play. I just realized how much I love west coast golf majors

Haha brooks hasn't even teed off

So I have Scottie to win, homa I got at 45-1, and then hovland top 10 Rickie top 10 and Theegala top 20

Emphasized "Haha brooks hasn't even teed off"

Me too many Olympic, Torrey Harding have all been sick

This is like your Vanderpump Rules

Laughed at "This is like your Vanderpump Rules "

Ahahah yup! I dabble in that as well lmao

6/15/23, 8:40 PM

Picked speith bc he just loves birdies and he misses 2 four footers lol

6/16/23, 6:33 PM

Looks like whoever has Fowler is going to win

Dude has 14 birdies already!

6/25/23, 2:03 PM

Happy birthday my man!! Hope it's a good one!

Good weekend! Thanks bud. Appreciate the text. Now I'm just gonna watch the travelers and do nothing

6/25/23, 4:31 PM

Love it!!

Keegan is running away with it

Or..is he ...

He did it!

7/22/23, 4:16 PM

A booze run is a must. Wanna roll?

Nick gave me the list

Down!

Alright I'll be at my car in like 3 min

7/28/23, 8:05 PM

You find your wallet?

I did! Forgot I had an air tag on it

Was in my golf bag which made way too much sense lol

7/29/23, 4:30 PM

US Junior Amateur finals is on. Kids are so freakin good

What age is that?

I can only imagine how good they are lol

Under 19

Where is it? Anywhere good?

The USGA hosts it in different places in the US each year. Same format at US amateur. 36 holes stroke play then the bracket is seeded for match play for top 64 players

7/29/23, 6:58 PM

Oh that's pretty sweet

Bracket style is awesome

12/5/23, 5:52 PM

You didn't make the barstool classic invitational this year did you?

Nope

Unfortunately

Just saw on Instagram they're live-streaming what looks like a playoff lol

Damn

Wanna apply together next year!?

My partner got married to a girl with a 12 year old daughter and his new wife got pregnant all within a 6 month span

Delivered

Hahaha that's quite the 6 months

If we can get in sure! Probably not winning the damn thing but good vibes lol

I'll be getting in the gym
