Hello, this is Steve re: the white board. I will be at Strafford train station at 11:30. Please meet me in the parking lot. I will get as close to the entrance stairs as I can. When you exit the train, you'll have to exit the platform, walk under the underpass and the parking lot to the platform entrance is right there

I'll be in a black Jeep grand Cherokee. Cash preferred thanks for asking

Hey Steve! Would we still be able to store the whiteboard in your garage for a bit longer?

The SEPTA woman didn't let us bring it on the train, and the car is about 2 inches too small, so I think the best option is to come back when you're free in a bigger car.

We are happy to walk the whiteboard over if it works for you

Ok I'm driving back I can be there in 10 minutes

I mean meet at my house up the street

Sorry I'm in a bit of a rush

Hi Claire, do you plan to get the whiteboard? I noticed it's still in the garage

Hey Stephen! sorry, I got totally bogged down with work this weekend. Can I come grab it Sunday morning?

Sure thing!

Hey Stephen, my ride backed out at the last second 🙄🙄 I'm gonna figure out a plan C later today, but just wanted to let you know

Ok all good! Thank you for keeping me posted

Hey Stephen, hope you had a great Thanksgiving! For a third (and hopefully last :) ) attempt at transporting this whiteboard, I've found a cargo van courier service that should be able to pick it up. You should be able to just leave it outside of your garage in the morning and they'll take care of the rest. Would that work for you? If so, is there any particular day that would work best?

Hi Claire. I no longer live there day to day so I can't return this week to place it out front. Can the service just open the garage door and take it?

Sure thing! I'll schedule them for tomorrow
