Hi Steve, its June with Solar Max.

Are you available for a quick phone call to explain how the program works?

I just spoke with someone

From Velocity AC

Who said they were also with Solar Max

Steve, we look forward to our appointment on October 5, 2023 at 2:00 PM.

As requested, please send a copy of your power bill back to this #. This allows our Design Dept to create your proposal beforehand.

Thank you for the opportunity to earn your business,

Solar Max
