Just wanted to confirm with the new keeper rule, that was meant to exclude players that were drafted in the beginning of season, otherwise it would be way too hard to keep up with, along with many other reasons. Only players that were newly off waiver wire.

Bryan Haun

That was my understanding

Mayo

Great 👍

I like how you only added 4 #s to the text group to ask lol.

But yeah my interpretation as well

Mayo

To the people that matter lol. And Boerner can pass along if need be

Bryan Haun

Hahaha

Nate Conrad

The Rules Committee 😂

Morris just picked up a Breece Hall. I'm assuming he did it because of the new rule. You should probably clear that up for the group that it can't be a drafted player.
