Hey steve it's Eric fehr. So I know your boy terry dropped out of club. Wondering if you were interested in playing with me in the MG. Would look to split the entry

Hey bud, what are the dates this year?

June 8-9-10

4/6/23, 8:50 PM

I'm in

Word up

Let's win this shit

Appreciate the invite. Was sad to give up the annual tradition

We can play practice round with terry and his dad

Awesome. Terry is playing with his dad that's right haha

Look forward to it

Terry said you need to post your shitty scores haha

Haha yes

On it

Stephen.Boerner@gmail.com

That's not a GHIN but qualifies the same. I've used it at NCC last few years no problem

Cool

So cost this year is \$600 per person. Only thing that does not include is flight bet. Last year a lot of flights went to \$200 pp on that

Ok I can Venmo or bring cash. Whatever works for you

Venmo works. @eric-fehr13

Been playing much? I

Just played Kiawah island for the weekend. Played well, scored terribly.

\$600 sent!

Hope I don't spend it on stoppers before I have to pay the bill

Schedule them to ride around with us. NCC won't mind right?!

They won't. My wife might. Haha

You going to need a place to stay that weekend?

Nah I'm all set. Terry offered but I'm gonna stay with my folks that weekend

Sounds good

Look forward to it

Yea man same. Appreciate the invite. Gonna be a blast

You two doing Barstool again

Waitlisted again. We always find out our options like a few weeks prior. Hoping we get philly location this year vs traveling

With terry getting married and having a kid now, we likely only playing if we get the philly location

What's the handicap at right now

Gotta like that

Nice

So good news:

- I had been hitting the ball better than ever over most of this year
- I have had time where I putted well

Bad news: most definitely my worst weekend of golf or the year.

Moral:

- let's get after it and beat some ass

One weekend of bad golf doesn't mean anything. Just need one swing thought to click it back in.

Hit that shot on 18 yesterday. Prob best drive of the year

What's your handicap?

1.6

What seed does that make us in champ?

My strokes could be huge

Just got this bad boy for the weekend

You check the weather?

Believe it's supposed to be perfect

Just checked. Solid forecast knock on wood

It's only gonna get firmer this week

Yeah, it looks like there's some thing rolling in end of the weekend that you hope doesn't move up any

Our golf courses in amazing shape

And we have a new chef the food is going to be incredible

Nice nice ...glad to not be missing out this year.

You married?

Yea. Like 4 years ish

Is your wife coming for sat night

Negative. She's out of town that weekend

Nice

Wish mine was

Haha What's the talent at the Fox like? I've heard the stories. Can't be good

It's about expectations

I like a dirtier place

Haha yes

6/6/23, 4:04 PM

Great times. Stayed like an hour or two after you left. Crushed like 4 of those drink specials

Nice

All those guys stay

That drunk kid spent 30 minutes pitching me his food delivery app. It was so so bad

Haha

I am taking a shit and then going to grab from breakfast upstairs

6/11/23, 2:30 AM

Bro, first off....Many thank yous to you. Fucking the best host ever. Treated me like a true king out there.

Great golf vibes too man...always positive ... always making moves...always fun regardless of scores.

Game is legit too. Fuckin pure move at the ball. Your gut is your advantage. That low center of gravity makes me wanna grow one myself but I'm not ready for that commitment to my game just yet.

But yo...had a fuckin awesome time. I'm all tuned up still . So ripped. Fowler fed me so many lines wtf...Just got home. Your wife is a sweetheart too. Real gem...Putting up with you not for the faint of heart but she balled out. Respect... Think I passed the partner test too. She'd love my wife. Next year.

Again. Awesome 3 days. Thank you

6/11/23, 9:53 AM

Great time bud look forward to it

6/14/23, 12:29 PM

Damn kid you got me thrown out the club for wearing shorts Saturday night. Haha. Not really but I did get a letter. Next year we are renting tuxedos and wearing them

Wait...wearing shorts wasn't allowed?

I guess not for the dinner I had no idea

Outfit next year

Their paper bill must be high this week bc def a bunch there but ok all good fuck em I'll come next year obnoxiously beautified

Laughed at "Their paper bill must be high this week bc def a b..."

Next to Dog, you're still an ideal member somehow haha

But my bad haha

Kinda feels good tho

I hate how clubs send letters. It's such a pussy move

I'm gonna put some writing on a Steve Boerner company stock paper and cite them for forcing me to play Covid against federal guidelines last year!

Haha

4/17/24, 10:51 AM

My guy what's up. I am so sorry for last minute text. Are you interested in Member Guest again? I have to sign up today. It snuck up on me

It's June 6-7-8

Hey buddy, good hearing from you. Unfortunately i can't play this year but I appreciate the invite. Keep me on your shortlist for future stuff. I moved to St. Petersburg Florida six months ago but we go back-and-forth so it's not hard to get home. Direct flights right into Lehigh Valley.

Edited

No worries man. How do you like Florida

The weather from October - May is unbelievable. 75 and sunny literally every day it seems. St Pete has awesome downtown small city vibes and St Pete beaches and Sarasota are some of best in the country. Renting a house still settling in but it's the tits we like it at least

Delivered

Yeah I spent some time in St Pete. Love the bar Sports and something
