Damn I wish appreciate the invite I have some stupid house warming party

Nick Cushmore

Sounds like something you should get out of.

Laughed at "This is where you tell Ellie how marriage is all about compromise "

I'm in.

I met some of your Graham boys the other day at the Phillies game - Tom Morris, brad Phillips

Nick Cushmore

I hope Tom had some zinc oxide on, that guy is like powder and should not be out in the sun for more than 30 minutes

Steve looking forward to it! Feel free to get to llanerch and hit balls whenever. I'll probably be there early working out before the round.
