Thank you for your order from Adams Express, I will be your courier today. I'll text you when I'm ten to fifteen minutes away, as well as when I arrive.

You are in the before 6 delivery window.

Awesome thank you

You're welcome

Will you have change? I have \$200 in \$100 bills so I just need \$20 back.

I can put the \$20 in the envelope I'm delivering, no problem.

Perfect
