Hi John,

This is Steve at Solar First. We're based in St zoetrope and Fort Myers. I live in Cape Coral and see you do as well.

I am reaching out about your quote request for Solar Panels via Angi's List.

I'm free this evening at 8pm, or I can call you tomorrow at a time that works best for you.

Please let me know what your preference is.

Thank you - Steve

Please excuse my typo. I meant we have offices in St Pete and Fort Myers.
