Throwing this out to the group. If you want to pitch in, let me know.

I plan on sending a note to Big Dave using Cameo. If you haven't heard of it, you can hire famous people to make personal videos on your behalf. My plan is to get a Yankees player or coach to send Big Dave a pep talk and get back out there video.

No pressure, just wanted to do something nice for him and thought you guys might want to get some credit for the nice gesture without having to do the hard work.

Willie Poole

If it's around \$20, I'm in

Willie Poole

I ain't spending \$100 on a message

Justin Kline

How much??

Aaron Morris

I don't think I was expecting you, Willy, to spend 100 on anything. I would say that the amount you want to contribute is whatever you're willing. I'll contribute more regardless

Willie Poole

Well now that's insulting

Willie Poole

Eh maybe it wasn't

Willie Poole

I retract

Aaron Morris

I'm going to send the Cameo request sometime tonight so you got time to come up with a jewy reason not to

Royce Lockett

Lol Johnny Damon! He's a big trump guy! Get him on a rant about trump! Tocci will love it

Royce Lockett

Maybe Make sure who ever it is makes fun of him for falling 12 feet onto concrete ?

Royce Lockett

"I hear your oldest son won't have survived a 6ft fall into a ball pit!"

Royce Lockett

" I hear you may of raised a weak son, but at least you taught him your greatest skill. Pulling a woman out of your league!"

Royce Lockett

Shit! Get this all in there!

Mayo

You look into pricing?

Willie Poole

He's waiting on you dumb fucks to confirm

Justin Kline

We have no clue on cost though

Willie Poole

Lol and why isn't Tocci even in this convo

Willie Poole

ITS HIS DAD

Mayo

Because it would be a gift from Tocci's friends? Weirdo

Royce Lockett

Laughed at "Because it would be a gift from Tocci's friends? Weirdo "

Royce Lockett

Do We tell you every time one of us give your mom a gift?

Aaron Morris

If I include Tocci, I won't know where to look. Rams, Giants, Redsox, Yankees, Obama, Hillary

Aaron Morris

Dave is simple. Yankees

No action, just updating. "I wrote in the notes that its from the guys"

9/18/22, 5:20 PM

How much total ?

Aaron Morris

Nothing crazy

Aight. We can split it up six ways. It's a good idea

Was this discussed already?

9/18/22, 7:20 PM

Aaron Morris

No and it's ok. I just threw it here in case someone or all were interested

Aaron Morris

Not going to bill everyone for something they didn't agree on. That's shitty

Mayo

Interested

Mayo

So what's Giambi gonna say??

Aaron Morris

I just asked for a "locker room pep talk" to Dave. Gave some info about who Dave is and why I'm asking

Aaron Morris

Giambi takes it from there

Royce Lockett

Interested

Mayo

What the price

Aaron Morris

Was like 180. I'll check the cameo site again, no receipt via email :(

Aaron Morris

Wait, was I also in this class?

Willie Poole

Imagine waking up tomorrow and everyone on earth has the brains of Elon musk and you're still just you

Willie Poole

That'd be shitty

Aaron Morris

The obsession of Elon musk is fascinating. Musk sentiment completely shifted when he had that first tweet about not voting democrat. He also said something along the lines of "now queue the incoming democrat PR machine"

Perhaps, I always admired how you could put so much effort into things that interested you and astounded by how you could give absolutely ZERO fucks about what didn't interest you

Aaron Morris

That still exists today. I largely credit my parents divorce with developing my compartmentalization skills. Thanks, mom!
