Chris! I kid you not, and this is fuckin nuts, I have Hiss Golden Messenger playing on my home pod sitting here doing some work in my office. I just got this thing as a gift, and even though it's spying into my conversations probably, it sounds fantastic and we have been listening to you guys a decent amount lately. Melissa just became a fan a month ago.

I'm in St Pete now. Gulfport to be specific. Little beach town within St Pete

Across the bay. 25 min from Tampa

In Tampa Monday. Love to see you and meet Melissa if possible

I know it's a school night!!

Melissa is sleeping on the couch here so i know she would love to go so lemme double check her work schedule when she's up

I'm free 6-8 if you wanna get dinner. We play 9

Ok I'm 100 percent in and I'll confirm 1 or 2 coming Monday. Might hear from me tomorrow tho

Hi Chris - do you mind if two friends join Melissa and I Monday for dinner and the concert? They are a super nice couple we became friends with since moving here. Alexis Cole and her boyfriend. Alexis knows Hiss. She's a jazz vocalist legend. We would love to bring them if possible

And I'm getting reservation at Ulele, a local spot near the concert spot Monday. More to come. Thank you!

Of course. I'll put you down for 4 tickets

Awesome
