Hey Sarah! Excited to have you here in Philly with us. You both will love love old City neighborhood.

Do you know exact time you're arriving? Do you need airport pickup?

8/3/22, 2:59 PM

Sarah Berner

We cannot wait!

Sarah Berner

We land at 5:10pm

Sarah Berner

American flight

Sarah Berner

It's totally up to you if you want to pick us up or is it easier to get an Uber?  
We can do that too

I'll pick you up!

Melissa works Monday the 15th but is off work Tuesday - Thursday so she will be able to hang with us Tuesday in Philly and she and I will both drive to rock hall Wednesday to meet you, mom, and dad.

You are getting a ride Wednesday with mom I believe as she's coming to Philly Wednesday morning to pick you and bash up

Sarah Berner

Oh awesome

Sarah Berner

Thank you!

Sarah Berner

Do you have a car seat for Bash or should I bring his seat? I guess I should bring it

Sarah Berner

So no worries

We don't have one. Is it easier to ship it to us so it's here when you get here?

8/3/22, 5:47 PM

Sarah Berner

No it's ok! I'll just check it :)

Sarah Berner

I'm trying to get organized and forget... do you have a pack n play we can use ?

Sarah Berner

Or should I bring one

Loved "Hi you two! Bash and I talk about seeing you every night before going to bed :) "

Mom sent us one along with a little bash sized mattress. we will have it set up in your room when you get here

Let me know if you need pics of it or the brand or whatever you need to see if it's okay to use

Sarah Berner

Melissa

We are soooooooooo excited!!!!!! Can't wait to see you and Bash!!!!

Melissa

What's your schedule Tuesday we have some fun activities but wanted to get a sense of what you want to do!

Sarah Berner

We are totally free!

Sarah Berner

Bash naps 1:30 but given the time difference maybe he should nap at noon

Sarah Berner

And he usually sleeps for 2 hrs

Sarah Berner

And then he goes to bed by 6:30 but w the time diff he can probably go to sleep at 8:30

Sarah Berner

Sorry that's backward

Sarah Berner

He will prob nap at 3

Sarah Berner

And then go to bed at 8:30

Sounds good. Going to be a blast.

Anything you need here? We are going food shopping and what not. Let us know if there is anything specific. There is also a really good little market around the corner kinda like Erewhon just smaller

Sarah Berner

Oh thanks!

Sarah Berner

Just Grassfed organic whole milk

Sarah Berner

And this granola and literally that's all Bash wants to eat these days

Meant to share this. They have a great YouTube channel for tutorials. I read some have issues with setup so let us know if you have any issues

Sarah Berner

You guys gave the absolute best presents!! Thank you again!

Sarah Berner

I tried to set it up and failed

Sarah Berner

It won't connect

Sarah Berner

But it's prob easier to wait to set up when we are home on our WiFi

Sarah Berner

Otherwise we'd have to reset to factory settings anyway I think

Sarah Berner

It says mom and dads WiFi password is incorrect but it's not

I agree and read the same. Best to wait and keep to yourself me Wi-Fi and one user account.

Super excited to get it up and running!

The box said only works on 2.4 megahertz WiFi which I can help with

Melissa

Awwwwww bummer sorry it won't set up! Yes at home might be best for first set up then it does easily travel after first set up!

Can you please share the family pictures by the fireplace? I will edit them
