I think we are all good. It's still propagating and tests are fully working on my end as of 1:23pm. Please allow an hour for further propagation as it can take 1 to 48 hours to fully correct but my experience it's been more like 1-2 hours

Hey are you guys able to get the contract over to Brad? Text if you need anything from me

Kyle Lee

Getting all the forms ready now it just takes a bit

Kyle Lee

Should have it to him by 5:15! Gonna start an invoice for the first 10% too

Derek Piotter

Awesome!
