Hey it's Steve Boerner. The 3pm ct call is for amarillo

Amarillo review for product I mean

Are you able to take it. I'm on vacation this week and having trouble finding a quiet spot

Let's push it. I don't have the details about scope that you do.

They didn't give us anything to go on regarding use cases. You mentioned a bunch last week and I wanted Ethan to have insight.

I got it

Ok
