Hello Steve. Christopher Plant here from KISMET COWORK. I would love to give you a tour. What is your schedule today? Could you do 1:30PM?

Unfortunately, we don't really do dogs with regularity. A day here and and a day there is acceptable but we don't allow members to bring dogs every day.

I can only do late afternoon today. Tomorrow at 9am or 4pm or Thursday any time outside of 10-11am. Okay regarding dogs

Today can work at 10AM but after that, we will have to find a different day.

How about Wednesday or Thursday or next week

Sure.

I will be around.

Ok can I schedule Wednesday next week at 2pm?

I am in the middle of an event and will respond tomorrow.

Thanks.

Hello, can I schedule time for early tomorrow afternoon around 2? I'd like to tour the offices

I'm flexible but am scheduling multiple visits elsewhere so please let me know asap. Also, is there parking?

It's only street parking. 2PM works fine.

Confirming this is for our 12 West Willow Grove location in Chestnut Hill. Is that correct?

Hmm no. I live in Old City. The address I found when looking for co-working spaces in my area was 448 N 10th St 6th floor

No, that location is no longer in operation and I thought it had been removed from the website.

So, our mistake.

It was on an old blog listing office spaces. Glad we clarified.

So am I!

We can cancel then. Any recommendations for co working around old city!? Haha I'm not finding much
