Eric Fehr

So we have to sign up for MG tomorrow and we have to decide between morning or afternoon practice rounds.

Terry Wagner

If everyone can make morning work, I think that's more fun because then we can drink and watch the afternoon groups come through 18 and heckle them

Eric Fehr

I kinda like the idea of the morning practice round, will be much faster round and gives time to unwind between round and heckle

Terry Wagner

Liked "I kinda like the idea of the morning practice roun..."

Works for me

Eric Fehr

Terry make sure your pops knows

Terry Wagner

I just texted him asking if her can do morning

Terry Wagner

He

4/18/23, 9:01 AM

Eric Fehr

Fucking terrible news. Saturday night of the member guest Brooke is in her cousins wedding at woodstone CC at 5. I have to go. I'm trying to just be able to go to the reception which may be around 630/700

Terry Wagner

Eric from your memory what time does the playoffs wrap up by

Haha welcome to marriage

Terry Wagner

I want to be single again

Terry Wagner

No wonder I was a 35 year old single bachelor haha

Eric Fehr

You don't "have" to go. You get there when you get there. Good news is you and your dad's team will not have to worry about the playoff

Terry Wagner

Her whole family will be there watching a pregnant Brooke be alone. It's not like not attending a wedding of one of her random friends

Terry Wagner

She's in the wedding so I won't be with her anyway so that is my angle, I'm still trying. We shall see how it works out

Eric Fehr

You can be there by 5

Eric Fehr

Just not going to go with her

Terry Wagner

Has anyone qualified for the playoffs and vacated their spot in the playoffs allowing the second place team to play? If that were to happen would we be pariahs at the club?

Terry Wagner

In my mind I want to play as much as I can regardless of what happens with the playoffs

4/27/23, 1:09 PM

I mean, it's not she's gonna break up with you!

Eric Fehr

Stop being a pussy terry

This is a defining moment terry. This is where you establish precedence

Let your golf mistress be known. Prioritize her and you'll be golfing in marriage in peace

Eric Fehr

I told my wife from the beginning to never ask me to choose between her and golf

Eric Fehr

You already allowed her to take over by dropping out.

Terry Wagner

With the entire side of her family who will look at me as the guy chose golf over his pregnant fiancé

Eric Fehr

Grow some balls

Terry Wagner

I haven't made a decision yet

Eric Fehr

Over his pregnant fiancé. It's not your wedding

Terry Wagner

I'm gonna talk to her side of the family when I see them Saturday

Terry Wagner

Maybe they don't care at all and I'm over thinking it

It's also not "golf" it's an annual tradition. Now with your father.

Terry Wagner

Liked "It's also not "golf" it's an annual tradition. Now..."

Eric Fehr

Wow. Total pussy move. You tell them what your doing

4/29/23, 9:12 PM

Terry Wagner

I'm playing

Terry Wagner

And staying for the dinner

Terry Wagner

Boom

Eric Fehr

Now your just being an Insensitive prick

Eric Fehr

Is your wedding off

Terry Wagner

No I got bailed out. I didn't realize it's on Friday not Saturday

Terry Wagner

Which is perfect bc Friday is always the off night

Terry Wagner

Laughed at "Now your just being an Insensitive prick"

Eric Fehr

Acting like a big tough guy.

Terry Wagner

I take after you

Terry Wagner

Ya big teddy bear

Eric Fehr

Haha

Eric Fehr

Good news man

Terry Wagner

Does steve know that you're gonna drag him to the strip club on Friday yet?

Eric Fehr

Nah new man.

Terry Wagner

Eric Fehr

Terry Wagner

I was just gonna say someone found a credit card slip

Eric Fehr

Eric Fehr

Terry Wagner

Eric Fehr

Then we hang and get wasted. Then Thursday night dinner

Terry Wagner

I thought morning would be full and afternoons would be the scraps

Eric Fehr

8 am is early and then you have to hang out for dinner

Terry Wagner

Gonna need some adderall

Terry Wagner

MG

Eric Fehr

Let's get over the jump

Eric Fehr

Hump. I played terrible today

Good. Get it out

Terry Wagner

Barstool was a 2 way Jean Van de Velde

Terry Wagner

Let's meet in the playoffs, both get birdies, then playoff just us

Terry Wagner

Also, you guys wanna plan to eat at the Saturday dinner together?

Eric Fehr

Damn kid.

Eric Fehr

You going to schedule my life

Terry Wagner

Suck my turd residue off my used jockstrap. We are eating together

6/6/23, 5:14 PM

Eric Fehr

We will be done golfing by 11am Thursday. I have reserved us a table at the Fox for 11:15

Terry Wagner

If my dad wants to go home for before coming back I'll go if he stays then I have to stay with as his guest. I imagine he won't stay the whole time so I should be good

Terry Wagner

They will have lunch at the club

Terry Wagner

Dad will want to eat that

Terry Wagner

Move the reservation to 1pm

Eric Fehr

I was kidding

Eric Fehr

About 11:15 at least

Eric Fehr

There are only 16 guys playing in the Am. We will fly

Terry Wagner

Are we allowed to drive around in carts and heckle and watch the afternoon groups?

Eric Fehr

That sounds way gay

Terry Wagner

You were always wanting to do that at the club champ...

Eric Fehr

Yeah, because it's the club championship not the member guest practice round

Terry Wagner

Laughed at "Yeah, because it's the club championship not the m..."

Laughed at "Yeah, because it's the club championship not the m..."
