Wish it was romo instead of Rodgers

Eric Tocci

I wish it was Brooks vs. Bryson

Max Theoni

And wrestling instead of golf 🤔

Jelly wrestling

Eric Tocci

Brooks could totally take Bryson

The Koepka-Bryson feud is awesome. Only a matter of time until they are in a final pairing.

Eric Tocci

And then they duke it out

Love the feud

Gotta have Phil on the Ryder Cup this year. as a captains pick.

Chris Cip

A must

Gotta be a no brainer

Mayo

Followed up the pga victory with a nice missed cut at the Charles schwabb lol

Michael Cipolloni

Mayo expected Phil to go back to back

Mayo

No way, knew he would do bad

Michael Cipolloni

Lol

Michael Cipolloni

Would love to see him get the career slam and win the US Open in the next couple years. He deserves it

Eric Tocci

Do you think Rory will be able to compete it?

Michael Cipolloni

Rory is bound to hit his groove again. Kind of like Speith is.

Interesting

During Covid I saw easily a dozen putts that clanked the pole and would have dropped otherwise. Always pull that shit

Max Theoni

If it clanks the pole it's good in my book. Golf Digest always trying to make the weekend hacker think he's on tour lol

Max Theoni

Give me the tips I really need like how to discreetly smoke weed on a course with no trees

Here's a tip to help your lag putting max. Take out the flag, lay it flat right behind the hole, make sure it's perpendicular to your line (that's the critical part), then give it a roll

Guaranteed to help your speed

That does sound promising
