Melissa is able to go. We appreciate the invite.

We can come down as early as the evening of Sunday, June 11th.

Melissa works early morning Wednesday, June 14th so we could leave afternoon / evening-ish on Tuesday, the 13th.

Glanced at American Airlines. Below is one combo that works to reference.

Sunday, June 11th:

6:42pm Departure  
AA2082: PHL to TPA

Tuesday, June 13th:

3:07pm Departure  
AA896: TPA to PHL

Do you wanna come Sat and get 2 full days and nights in town? If not, that's cool too, just thought you might enjoy a calm Sunday before the Solar tour of South Florida.

Nevan

Send full names and DOBs also 😎

We both have diff stuff going on Saturday and most of Sunday. Earliest we can fly out is that Sunday evening flight. Melissa is locked in on a calm Monday with her spf-5 and sticker book
