Kid in a candy store right now. I'm close to my hotel so I definitely need a break soon. Can we do a dinner tomorrow eve?

Hi Darren, I'm at the Venetian expo again doing some rounds. Easy to meet anywhere today for a drink

I was just there. Got there at 9 this am. I walker the entire Venetian again. Sounds good, let me know what time you are thinking. We can do somewhere mid strip. Cosmo, Bellagio, Paris, Planet Hollywood.

Where are you staying?

The strata, so im a little north but will be around main strip today. How about 530pm at the bellagio?

Perfect works for me. See you then

Hi darren, I may be 15 minutes late.

Okay. Where would you like to meet?

Or do you want to pick someone once you get here

I have no preference. I'm walking down from LVCC just about to head out didn't realize it's a little longer than I thought

No worries.

I am out front watching the fountain show.

Great, 5:36 eta

Around the corner. Where is best spot to meet
