Hi everyone.

Just wanted to let everyone know the plan.
I will be proposing around 1130/12 on 11/18 and then barb and I will do our own thing until we meet up with everyone later.

Plan is for the immediate families to meet up around five at independence beer garden. Then other people are invited to join around six.

I have not been able to get information about reserving our own area but I'm working on it. Melissa and MC said they may get there around early to set up or hold a spot.

Any questions please let me know!
