Hi Everyone - in a minute - going to send you all a refund for \$133 per person from nags head. This is from the last min additions of people after we all had paid for the house in full. Later this am will get spreadsheet of costs out.

Why don't you just subtract the 133 from what everyone owes?

Karen Boyle

I cant - you'll see why

Karen Boyle

Just sent out - let me know if you have any questions
