Hi Angel, this is Melissa and Steve from Thanksgiving dinner. I just gave you a call.

We were wondering if we could take you up on the kind offer to share in the medicinal weed. That's only if you happen to have any to spare today but we understand either way thank you!

Oh sorry I just saw the text and am getting ready for our gig. I have gummies and chocolate left. You can have them if you want. I stopped altogether for job seeking. I'd go today but won't have time. Definitely able to go tomorrow.

All good and thank you for offering we may reach out tomorrow but for now have a great gig! You guys rock!
