Hello, we would like schedule cleaning for this upcoming week

6/22/23, 8:26 PM

Hello. How are you? We are long time without contact. Would like cleaning still?

9/8/23, 12:57 PM

Hello! We would like to schedule a cleaning is that possible?

Hello. Hope you doing well. Yes. Sure. What about Friday next week?

We were looking to do last week of September

Ok. Please come back closer to let me know and confirm. Just text me week before you need it

We are moving out on September 30th and we are renting our home to new tenants. We have to have a deep clean before they arrive.

Is it possible to still schedule this for a date at the end of September like the 28th or 29th so we are 100% sure it will be cleaned on that date? I only ask because it's important that it's cleaned exactly then

So we can set for September 29th. Do you need cabinets and appliances inside also?

9/8/23, 3:20 PM

Yes full deep clean. Everything will have been removed by then

So that will be not easier to clean after you will move out?

9/27/23, 6:14 PM

Hello, I am confirming Fridays deep clean as we have moved everything out and need the apartment move-in ready for the tenants that arrive Oct 1st

9/28/23, 1:48 PM

Hello. How are you? Yes about cleaning tomorrow. Just to remind for deep cleaning I have to charge more like normal cleaning. And someone will be there to let me in?

9/28/23, 5:14 PM

Yes what time are you arriving? My wife will be home

9/29/23, 8:25 AM

Good morning, please let me know what time you are arriving today

I need to let my wife know

Good morning. So sorry for delay. I wrote and forgot send. I should come between 2-2.30.
