Hi Arthur,

Thank you for contacting Solar First via Angi's List.

My name is Steve and I will be your primary point of contact.

I left you a voicemail yesterday so you now have my personal cell phone number.

As mentioned, I'm based in St. Petersburg located no far from Tarpon Springs.

Please feel free to request a call back based on your availability. I also live close to Clearwater so I am not far. In-person would work as well.

I look forward to speaking.

-Steve
