Hi Luther, yes, and I will be there for the game Monday. I'll represent Philly with class, but not TOO much class! ;-)

Go birds!

Also, i wanted to get your advice on the kitchen sink.

It's gradually gotten worse with ongoing clogging on the left side.

I've tried multiple de-clogging products. Some worked but only rarely. Now, nothing really works.

Any little bit of water will sit and drain only after about 24 hours so we can only effectively use the right side of the sink to avoid water building up on the left.

I'd be happy to run with any handy requirements within the bounds of basic handyman quick fix skills that you may be aware of, but, respectfully, I wouldn't want to tinker with anything more than basic de-cloggers fluids when dealing with plumbing, pipes, etc that don't belong to me.

Open to any insights and advice. Thank you. Everything else is perfect. Loving it
