Hey Steve I'm heading to the airport. Great meeting you in person. I will see you tomorrow in our Touchpoint.

Ah I'm stuck in this room.

Really great meeting you. Having this face to face was really important and glad it worked out. Talk to you tomorrow. Cheers 🍷 to a fresh start

Will call you back

Around 330

For Amynta call. Just remember to push for a timeline to sign the contract with them. We already received Master Service Agreement from them and Manish said he was reviewing it. Get a timeline on when to send the edited agreement with Amynta. Once we get signed agreement, we get comprehensive policies in the US.

I will forward you the agreement. Their lawyers have already redlined it.

Hey Steve. Just wanted to send a quick note that I am settling with SureBright. Really appreciate your support for the last few months. I owe you a beer when I get back to NYC/Philly.

I'm so glad to move on. Keep up doing the right thing man.
