Hi Melissa!! I hope you are doing well too! I'm so sorry but I'm actually in office today so I am unable to walk Lucy. I apologize for the inconvenience

Thank you for understanding! I hope you have a wonderful day too!

Hey Stephen! I am available to walk Lucy after noon! Any specific time that you're looking for?

Yeah! That works for me! I've also started to take some business off of Rover for other clients. If you are interested, just let me know. Otherwise, we can keep everything on the app! :)

My cell is 248-345-4242! Thank you!!
