I just shot your personal email a note

11/10/22, 6:57 PM

I'm sorry Steve. Trying to wrap things up before KC trip. I'm in the office tomorrow morning. I have a call at 9 with Connie and Kelly about the trip. No one is here as it is Veterans Day. Would you have time to connect? I will read your theme email when I get home tonight. I have the RFP package with me. Thanks

Hi John. How about 830am?

Perfect

Call my work number. 6164563285

Great
