Melissa, you were right about the 5 AM wake up call. Lucy was there at 5. Not 4:59 or 5:01. 5:00 AM exactly LOL

Melissa

OMG 😞😞😞 ah! Sorry she got you up so early! Def tell her to "LAY DOWN" and she will haha 😂😂😂

You have to say it in all caps too

When you walk out the front door walk straight down the ally (front st). Half block down that ally is a fenced parking lot. That is out lot. Garage door likely down but the dumpsters are there. If door is down there is a pad lock code I believe is 1608

If you can't get in jsut bag your trash and leave it all good

Got it. Thank you! What time will you be home tomorrow? I can stay as long as needed.

I land at 530. Melissa is aiming to get back at 3-4 so if you leave mid day that works

Thanks again buddy.

Melissa

Oleg is arguably the nicest guest. He even cleaned our whole place

Oleg Lougheed

Dude that was supposed to be a surprise hahah

Oleg Lougheed

But, yes I did do that.

Oh shit.

Oleg Lougheed

Laughed at "Oh shit. "

Oleg Lougheed

I've set the bar high for all future guests.

Oleg Lougheed

Now, you can tell all of your future guests, "One time, our friend Oleg stayed over and he cleaned the whole place afterward. You don't have to do that if you don't want to. But, we won't stop you from it if you do!"

If you could provide a laminated cleaning checklist for our future guests that would be helpful thanks
