We are in the CLEAR!

Never came up, never opened the shed, super chill guy now getting the know him, liked "what we did with the place"

John - forgot to ask you, but we are looking for a garbage dump to get rid of all that wood. The cabinets I destroyed. Do you know any place in the area we drop off a pile

John Roman

No, but I can ask some people at Low Tide. I'm sure a few will know that I can think of.

Melissa

Thank you so much, John!

John Roman

Welcome

John Roman

Here is the Netflix documentary with a doctor leading it

Laughed at an image

Melissa

What are these!!!

Wet clothes!

That smell of sweet lavender
