Terry Wagner

A week from today boys we will have our practice round!

Fuck yes

Terry Wagner

Morris please tell me Austin weather changes over the course of a week

Eh that's fine.

Aaron Morris

Now no rain Monday

Aaron Morris

Changes day by day

5/30/21, 12:44 PM

Terry Wagner

Loved "Changes day by day"

6/1/21, 10:15 AM

Aaron Morris

My observation, and non professional but passionate meteorologist views, is that it's been raining at night and early morning. During the day, the sun breaks and dries it up.

I know some of us believe in juju, so I'm not stating that this isn't a jinx.

Terry Wagner

I'm a big juju believer and enforcer so I appreciate the attempt to play mental shenanigans with the Juju police

Aaron Morris

What days are you guys occupied with tournament obligations ?

Terry Wagner

Tuesday

Terry Wagner

Das it

Terry Wagner

We are all playing that practice round on Sunday at 4pm

Terry Wagner

Nothing besides those two things are on the calendar

Aaron Morris

Ok just thinking how to get franklins done and other stuff. When do you guys fly in?

Aaron Morris

Or send tour flight info so I can pick you up please

Terry Wagner

This is Steve's

Aaron Morris

Thank you

Terry Wagner

That second one is me, I get in at 10:27. No need to make two trips to airport, I can hang around there at the bar for two hours waiting for Steve

Aaron Morris

You're flying UA, but when you get in to the airport, head straight to the Delta terminal. It's where all the good shit is

Terry Wagner

Cool, will do!

Aaron Morris

I'll see about taking Monday off so we can do shit

Terry Wagner

Cool beans

Terry Wagner

Hopefully you can get off that would be the tits, but if not I'm sure Steve and I can find a driving range and keep ourselves busy with golf practice

6/3/21, 8:22 PM

Terry Wagner

Aaron you got a football at your house?

6/3/21, 10:19 PM

And weed?

Aaron Morris

1. Maybe somewhere around here.
2. Small amount but always have access

Well, let's make use of this free time prior to tap that access shall we?

Aaron Morris

Free time?!

Aaron Morris

I'll hit the ol network up

Aaron Morris

I do have a gram of the finest Molly I've ever taken/seen

Pre time?

Aaron Morris

Aaron Morris

What's your favorite beer type?

Aaron Morris

And liquor?

Aaron Morris

Ok we're covered on weed

Terry Wagner

Loved "I do have a gram of the finest Molly I've ever taken/seen"

Terry Wagner

Whiskey!

Aaron Morris

I've also got a box of Cubans

Aaron Morris

And about 60 adderall pills

Terry Wagner

Loved "And about 60 adderall pills"

Terry Wagner

Jesus that's the mother load

Terry Wagner

I'm gonna call you King all week

How much amp you got?

Ammo\*

Aaron Morris

God damn that's honestly

Aaron Morris

The single hardest you've ever made me

Aaron Morris

I actually need to buy some! .223 and .40!

Aaron Morris

Emphasized an image

Let's go deep, boys

Feel me?

Aaron Morris

That's my nightstand hand

Given your neighbors...makes sense!

Let's kill em

Terry Wagner

Laughed at "The single hardest you've ever made me"

Aaron Morris

.223 and .40 on the way tomorrow

Aaron Morris

Weed by Friday

Aaron Morris

Anything else?

Terry Wagner

Just a place you and I can snuggle

Aaron Morris

I figured Saturday we'll go out, eat dinner out, black out, in the freedom state

Aaron Morris

Sunday golf and then maybe grill at home

Aaron Morris

Monday Franklins, gun range, open

Aaron Morris

Could go to range Saturday too!

Aaron Morris

I'll curate some spots to hit up that are largely unique flavors to austin. Japanese + Texas bbq smokehouse is good.

Terry Wagner

Love it man, all sounds great! A true host you are!

6/5/21, 9:25 AM

3 hours of sleep. Does the week's menu contain anything to bring this boner out of a flaccid state ?

Terry Wagner

So my first flight got diverted in air due to weather. Was supposed to go to Houston. Went to San Antonio instead. They are going to refuel us and then send us there. We aren't deboarding. My layover was only 40 min so I will most certainly miss my scheduled second flight. I'll try to get on the next available flight. Being first class hopefully they give me first priority. I'll text with updated info as I get it. But that's all I know right now.

Oh well it'll work out. Get another Bloody Mary

Terry Wagner

Liked "Oh well it'll work out. Get another Bloody Mary "

Terry Wagner

I've already had 4 little bottles of Jack

I'm taking off second flight now. 11:43am arrival

Terry Wagner

Cool. I'll know more when I get to San Antonio. I'll text what my timing looks like then. Could be a while

Terry Wagner

Houston I mean

Aaron Morris

Liked "I'm taking off second flight now. 11:43am arrival"

Aaron Morris

11:45est not cst right?

11:43am CST

Confirmed

I'll be airborne soon. Didn't have good wifi last flight so may not see Terry's updates. You can decide what's best in terms of picking us up or I can Uber to your house then we can drive to get terry later if he's massively delayed

Or make terry walk bc he's ruining our bro time!

Aaron your ramen ruined ramen for me. I just had a very sub par bowl, there is nothing good around here. Thanks a lot!

Sounds like a business idea that could meet demand where there is no supply and matches your expertise

Terry Wagner

Laughed at "Sounds like a business idea that could meet demand where there is no supply and matches your expertise "

Terry Wagner

I wanna be lazy and have served to me steeeeeeeve

Terry Wagner

Laughed at an image

Sounds like someone who reads about local celebrities instead of being one!

Aaron Morris

Imagine if Wolfgang puck said that

Terry Wagner

Kitchen life ain't a glamorous one. Bye bye northampton member guest

Terry Wagner

Wolfgang is the 0.00001 percent

Aaron Morris

Celebrity chef IS a glamorous one

Terry Wagner

Big gains take big efforts!

Terry Wagner

Shut your pie hole and FedEx me some damn ramen

You came here to talk ramen...you're leaving with lectures and life lessons

7/9/21, 11:11 AM

Aaron Morris

Terry did you go to mister lees?

Terry Wagner

Going tomorrow, been a bunch

Terry Wagner

It's very solid

Terry Wagner

The place from yesterday was dog shit

Aaron Morris

I went to ramen tatsuya last night simply out of spite for you

Aaron Morris

<https://www.timeout.com/usa/restaurants/best-ramen-restaurants-in-america>

Terry Wagner

Doesn't surprise me. Definitely a Holesworth kind of move

Aaron Morris

I was in there with my neck tattoos and beer belly enjoying myself

Terry Wagner

Terry Wagner

Not surprised your joint is #1 in the country. Best thing ive eaten in years

Terry Wagner

Would love to try it again sober and see how much of my liking was attributed to the Mary Jane

Aaron Morris

Hard to fudge that much depth of flavor with just Mary Jane.

Aaron Morris

If you come down here again, I'll take you to more spots like that

Terry Wagner

Layers upon layers

Aaron Morris

Leave Steve to the Taco Bell and Tostitos

Terry Wagner

Idk, I don't want to mess with a good thing. I could eat there every night my next trip

Terry Wagner

Try something else each time

Aaron Morris

Haha that's the part of the brain that's addicted to adderall talking

Terry Wagner

Ohhhh for sure. But that ramen is a healthier drug
